Fake a mosaic-tiled surface with a stencil.

# 11 BRUSH UP

The craft world owes a lot to Annie Sloan's leading-edge decorative paint, dubbed Chalk Paint for its matte finish. A DIYer's dream, it can be used on nearly any surface, both indoors and out, and requires little to no prep. Use it with one of the brand's stencils, available in styles from boho to Parisian chic, for a fresh take.

Tallulah STENCIL, \$22, and CHALK PAINT in Graphite, [anniesloan.com](http://anniesloan.com).
